

Kiwanis AKTION CLUB

Mission:

To provide adults with disabilities an opportunity to develop initiative, leadership skills and to serve their communities.

TOKEN OF THANKS

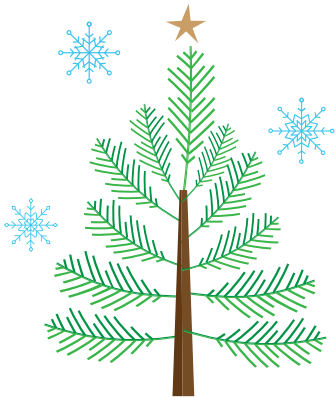

With the holidays just around the corner, many people begin using this time to reflect on the past year and to thank those in their lives who have made it all possible. We're going to continue that tradition this month as we write letters and cards to veterans to let them know how much we appreciate them, especially this time of year.

In conjunction with a program through the Wounded Warrior Project, these letters will allow us the opportunity to thank servicemen and women around the country for their service just in time for Thanksgiving.
