

Kiwaniis **AKTION CLUB**

Mission:

To provide adults with disabilities an opportunity to develop initiative, leadership skills and to serve their communities.

GREAT JOB, AKTION CLUB!

Last month we hosted our first ever fundraiser dinner and dance, and over 100 people from around the county and the surrounding areas attended. The night was fun for everyone, and all of the detail you put into everything made it even the more magical. Thank you to everyone who made this night possible!

After tallying the number of those who attended, we can now report that our group raised a total of \$810.25. Congratulations, everyone! Because of you and your hard work, we'll be able to use this money to help fund our many exciting service projects this new year.
