

Kiwanis AKTION CLUB

Mission:

To provide adults with disabilities an opportunity to develop initiative, leadership skills and to serve their communities.

YOU MAKE A DIFFERENCE

During our last meeting, we delivered Valentine's Day cards to 30 residents at Troy Care Center. Many of the residents loved receiving your homemade cards in person, and you had a special impact on one resident in particular.

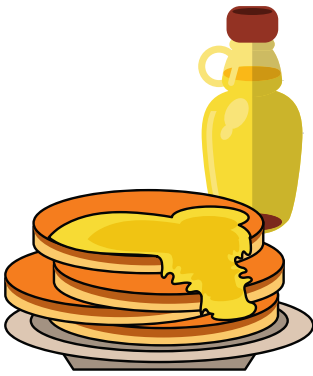

After our visit I received a call from one of the resident's husbands, and he had this to say about all of you, "That really made her day, and I would just like to say thank you for doing such a fantastic thing."

Everyone is so proud of you and how much you care for your fellow community members, we hope you are too! Great job, everyone, keep it up!
